PORT CHARGES ON VESSELS

Montrose Port Authority in accordance with the Acts of Parliament, apply the undermentioned charges on Ships and Goods entering and leaving the port.

Charges will be based on Gross Tonnage (GT) measured in accordance with the International Tonnage Convention 1969. Exceptions to this are shown on the next page.

In determining charges, a fraction of a tonne over 0.5 shall be calculated as one tonne.

Part Cargo dues, by request, provided on vessel arrival and only applicable to 49% or less cargo discharged in the port of Montrose.

A manifest detailing items loaded and discharged by a vessel must be provided within three working days of the vessel's departure.

Value Added Tax (VAT) chargeable as appropriate.

Montrose Port Authority reserve the right to request vessels move to anchor once loading / unloading operations are completed to accommodate berthing requirements.

VESSEL CHARGES

Ship dues are payable per week or part thereof during which the vessel is in the harbour.

Tonnage Rate per GT	£0.75
---------------------	--------------

A discount of 10 pence per Gross Tonnage (GT) will be applied to the standard tonnage rate for vessels that are connected to shore power for at least 50% of their port call duration. This incentive promotes environmentally sustainable practices during port operations. A copy of the Terms & Conditions from our shore power provider, Plug Montrose, can be accessed [here](#).

EXCEPTIONS	
Vessels engaged in cruise - tonnage rate per GT	£0.47
Crew Transfer Vessels engaged in offshore wind (inbound/outbound)	£POA
Guard Vessels engaged in offshore wind	£POA
